STANDARD MEMBERSHIP

EXCLUSIVE CONNECTIONS THROUGH NETWORKING

Exclusive benefits: Free events for members

Mining Matchmaking

Take part in exclusive meetings (virtual or in-person) that connect mining companies with suppliers strategically selected according to their specific needs. A space designed to present concrete solutions, explore business opportunities and build long-term commercial relationships, under a new format that incorporates strategic matching and periodic follow-up of results, with indicators to measure the opportunities generated and how they evolve.

※ Limited spots | Registration on a first-come, first-served basis.

Canada Day Cocktail

Exclusive invitation (01) to the reception celebrating Canada's National Day, where you can network with government and private-sector leaders. (*)

(*) Benefit valid for companies that become members by April 30, 2027. The event is subject to the official schedule of the Embassy of Canada in Peru.

Maple & Misti Cocktail

Invitation to the Maple & Misti Cocktail, held during PERUMIN 2027. 01 executive per member company.

(*) The benefit is valid for companies that become members by June 30, 2027.

"Friends & Wines" Wine Tasting

An exclusive members-only gathering that combines a carefully curated selection of wines with a high-level networking experience in a setting specially designed for sharing, building closer ties, and strengthening business relationships.

※ Participation by draw.

Women's Night Out

A space created especially for women leaders among our members. An evening to connect, share, enjoy new experiences, and strengthen bonds among women.

※ Participation by draw.

Coffee with...

An exclusive space to network and build business ties, co-organized by the CPCC and the host member, designed to share knowledge, studies, specialized analysis, trends and success stories relevant to the business community.

A high-level gathering that promotes the exchange of perspectives, dialogue among leaders and the identification of collaboration opportunities, in a close-knit format that encourages direct interaction among participants.

※ Limited spots: maximum 26 participants, including speakers.

Specialized workshops

A valuable opportunity for one representative of your company to take part in hands-on, in-person training workshops, led by specialists and focused on developing knowledge and skills applicable to the professional environment.

※ Includes a certificate of participation.
※ Frequency: Option to participate in one edition per year.
※ Limited spots | Registration on a first-come, first-served basis.

Getting to know... NEW

An exclusive experience of dialogue and strategic networking, in which an executive from a leading company welcomes a small group of representatives from the Chamber's member companies to their offices.

In a friendly setting of open conversation, the host shares their vision, experiences, and perspectives on current topics of business interest, fostering the exchange of ideas, knowledge, and lessons among leaders.

※ Limited spots | Registration on a first-come, first-served basis.

Activities at mining trade shows NEW

Gain access to exclusive business networking events organized by the Chamber during leading national and international mining trade shows and conventions.

Strategic spaces that bring together member companies, industry leaders, authorities, and other key stakeholders, promoting relationship-building, the exchange of perspectives, and the identification of new business opportunities.

Exclusive benefits: Events at preferential member rates

Supplier Synergy NEW

An exclusive event for Chamber member companies, designed to identify complementary capabilities, foster strategic partnerships, and generate new business opportunities.

Unlike traditional business matchmaking events, Supplier Synergy aims to connect companies that can work together by combining their products, services, and expertise to develop integrated solutions, present joint proposals, and access new business opportunities.

The goal is not only for companies to expand their professional networks, but also to find potential business partners with whom they can grow and generate new business.

※ Limited spots | Registration on a first-come, first-served basis.

Insight Experience NEW

An exclusive experience for members, co-organized by the Chamber and a host company, offering a first-hand look at how leading companies have implemented innovative solutions, optimized processes, or developed best practices to address the challenges facing their industry.

Through the presentation of real cases, participants will learn about the challenges faced, the solutions applied, the results obtained, and the lessons learned, in a space that promotes the exchange of knowledge and experience among companies.

PDAC 2027

Access to preferential rates for participating in activities organized by the Canada–Peru Chamber of Commerce during PDAC 2027, the world's leading mining convention, to be held March 7–10, 2027, in Toronto, Canada.

A unique opportunity to strengthen ties with industry leaders, build strategic connections, and access networking opportunities, while promoting investment and business opportunities.

Annual Dinner: Government and Business

Access to preferential rates to participate in one of the leading forums for public-private dialogue, bringing together authorities, business leaders, and representatives from a wide range of sectors.

An opportunity to learn firsthand about the country's economic, political, and social outlook and to exchange views on the country's main national challenges.

Canadian Business Cocktail

Access to a preferential rate to take part in one of the most anticipated business gatherings of the year.

A first-class culinary experience, with a premium bar and live music, designed to celebrate a great year-end, share with business leaders, and strengthen strategic relationships in a festive atmosphere.

The year deserves a memorable finale!

After Talks (After office)

An exclusive gathering for Chamber members that brings together leaders and executives from different sectors in a relaxed atmosphere, ideal for good conversation and the exchange of experiences.

The perfect opportunity to expand your network, learn about other business perspectives, and identify common interests that may lead to future collaborations and business.

※ Limited spots | Registration on a first-come, first-served basis.

Trade missions - Mining, Infrastructure and Logistics

We develop and lead business missions that give our members an exclusive first-hand look at strategic projects, operations and facilities linked to the mining, infrastructure and logistics sectors, including ports and other operational hubs.

Each mission includes an agenda of technical visits, presentations and meetings with representatives of the host organizations, offering a direct view of their operations, challenges and opportunities.

An experience that combines industry knowledge, networking, and the identification of collaboration and business opportunities.

※ Limited spots | Registration on a first-come, first-served basis.

International workshops

A specialized technical training space focused on the detailed analysis of real cases and the application of tools in specific contexts. The content prioritizes hands-on work and in-depth technical study. Designed for representatives of member companies seeking clear application criteria and greater specialization.

※ A certificate of participation will be provided at the end. First come, first served.

Networking Cocktail & Conference (*)

Networking cocktails and conferences, both national and international, where you will meet leading executives from the national corporate scene, sharing relevant information.

※ List of participants sent on request (the member must be registered for the event).

Networking Breakfast & Conference (*)

Business meetings that give you a first-hand look at the investment plans, projects, and procurement and supply needs of leading companies in strategic sectors such as energy, oil and gas, and infrastructure.

Through presentations to a small group of executives, the invited companies share relevant information about their operations, outlook and requirements, opening the door to potential business opportunities.

※ List of participants sent on request (the member must be registered for the event).

(*) Disclaimers:

- Networking Cocktail / Breakfast & Conference events organized by the Chamber.
- Artwork and promotional materials must be provided by the member, according to the Chamber's specifications.
- Speakers are CEOs, general managers, procurement managers, operations managers, or other senior-level executives.
- MYPE members (micro and small enterprises with REMYPE certification) receive a 50% discount on Networking Cocktail / Breakfast events. No additional discounts apply. 1 participant only. Additional participants at the member rate.
- A variety of business topics will be covered. The meetings are designed for executives whose positions and responsibilities are related to each meeting's topic.
