Brand positioning on communication platforms

Story of the week

A space for our members to share their purpose, achievements, best practices, and initiatives that create impact and make a difference in their sector.

Through a video of up to 40 seconds, provided by the member company and published on the Chamber's institutional LinkedIn account, they can share their story, strengthen their positioning and connect with our business audience.

※ Available for 02 editions. Limited spots, in order of request (First come, first served)

Corporate visibility on our website

Your company's presence in the "Our Members" section of the Chamber's institutional website, with its logo linked to your website, a corporate profile of up to 100 words and a presentation of your main products and/or services.

This space lets you showcase your value proposition and helps current and potential clients identify business and collaboration opportunities.

Brand presence on the Chamber's homepage

Display of your company's logo in the brand carousel on the homepage (home) of our institutional website, with a direct link to your website, strengthening your visibility with our business audience.

Business Quick Bites

A dynamic, visual carousel designed to share relevant news from the business community, including member achievements, changes in positions, business integrations, new projects, and other significant milestones. Each slide will feature an image accompanied by a short headline.

※ Frequency: Published every two weeks on the Chamber's institutional LinkedIn account.
※ Available for 03 editions. Limited spots, in order of request (First come, first served).

Press release

Promotion of up to 02 monthly press releases provided by the member company, through the Chamber's institutional LinkedIn account, to give greater visibility to its announcements, achievements and business initiatives.

Social media stories

Promotion of relevant news, achievements and initiatives of the member company through the Chamber's Facebook and Instagram stories, expanding its presence on our digital channels.

※ Available for 03 posts per month, each remaining live for 24 hours.

One minute with...

Put your company's leaders in the spotlight.

A series of short, dynamic interviews produced by the Chamber, highlighting the top executives of our member companies and sharing their business vision, experience and perspectives on topics relevant to their sector.

※ The interview will be published on the Chamber's institutional LinkedIn account.
※ Frequency: Monthly. Available for 01 edition, in order of request (First come, first served).

Business trends and perspectives NEW

Share your views on the issues shaping the business agenda.

A space for our member companies to share current information, trends, and developments affecting their sectors, contributing their analysis and perspectives on the challenges and opportunities of the business environment.

The content will be published on the Chamber's institutional LinkedIn account, positioning your company as a benchmark on topics of interest to its industry.

※ Available for 02 editions. Limited spots, in order of request (First come, first served)
